CORRIGENDUM

RFP FOR Selection of Agency for Annual Maintenance Contract, e-reporting tool, Mobile Application Development & Setting up of PMU for State RTI Portal

5. SCOPE OF WORK

The scope of work by the Agency would include the followings;

- A. Set up public authority account in order to help any public authority (Office) for coming into a single network of RTI Central Monitoring Mechanism (RTI CMM), which would include; customization of public authority control panel, handholding support for preparation of standardized proactive disclosure, technical training on RTI CMM to the officials.
- B. Website pertaining to RTI information under section-4 of RTI Act, 2005 & regular update of all public authorities in both English and Odia.
- C. Online Monitoring and e-filing of RTI Applications and first appeals (Keep track of filing & disposal of RTI applications/appeals throughout the State)
- D. Online generation of Annual Report as per section- 25(2) of the Act.
- E. Implementation of RTI CMM to keep track on the implementation and performance in respect of all public authorities designated under the RTI Act, 2005.
- F. Exhaustive technical training programme to acquaint all Public Authorities to handle and maintain the designed online system and website for RTI related matters at State/District/ Block/Panchayat level.
- G. Co-ordination will be maintained among all public authorities at each level along with Odisha Information Commission, Nodal Department of I&PR, OCAC, all Govt. Training Institutes etc.

5.3.1 PATTERN OF PAYMENT

- A. Setting up of Public Authority / e-filing Account for the RTI Portal are concerned there is no need for technical vetting by any agency since both these scopes of work have been predefined through e-Tender. The expenditure incurred for this purpose has to be borne by respective public authorities having no liability on the client. Each public authority under each administrative control has to bear the expenses incurred for this purpose in order to cater to mandatory provisions as enshrined in this Act.
- B. Any further web application development or additional support bills will be submitted to the client at each month end with descriptions and name of the assigning section in-charge and the payments will be made only after technical vetting by OCAC, Bhubaneswar, Govt. of Odisha and approval as per the client rules and regulation.

Handwritten signature

C. Any deductions in payment will be intimated to the Agency in writing with appropriate reasons thereof.
