OUHS Publishes First Ever Professional Medical Examination Results

**Shubhalaxmi tops examination**

**'Today is a historic day for University'**

**'Odisha to join National Digital Health Mission Soon'**

**'27,000 hospitals to provide healthcare services across Country'**

: Health and Family Welfare Minister Dr. Mahaling

Bhubaneswar: 01/10/2024

Today is a historic day for the Health and Family Welfare Department and Odisha University of Health Sciences (OUHS) with the University publishing its first-ever result for the professional MBBS annual examination for the batch 2023-24. The Vice Chancellor and the officers controlling the examination have done a great job by publishing the results within ten days of the examination, Health and Family Welfare, Parliamentary Affairs and Electronics and Information Technology Minister Dr. Mukesh Mahaling stated in the function held at OUHS Campus.

The State Government is all set to include Odisha in the National Digital Health Mission. Through this inclusion, digital mapping of patients' data will be done and an Unified Identity Card will be issued to them. It will contain all the information related to the disease of the patients, which will help the doctors to serve the patients in a better way, expected Dr. Mahaling.

Ayushman Bharat and Gopabandhu Jana Arogya Health Insurance Scheme will soon be launched in the State, it will benefit around One Crore families. In the old health card, healthcare was available only in around 900 Hospitals, but henceforth eligible beneficiaries of the State will get medical services in near about 27,000 hospitals across the country, he added.

Following the result declaration, OUHS strengthened its national and international collaborations by signing multiple Memorandums of Understanding (MoUs) with esteemed institutions and reputed medical faculties. The institutions included ICMR-RMRC Bhubaneswar, Institute of Life Sciences (ILS) Bhubaneswar, and AIIMS Bhubaneswar Nursing Stream. In addition to these, OUHS formalized collaborations with several renowned national and international doctor faculties from outside the state and abroad, signifying its commitment to global academic excellence and cutting-edge research, informed VC Prof Dr. Manash Ranjan Sahu.

It is to note that in the professional MBBS examination 2023-24, Shubhalaxmi Padhi of Sahid Rando Majhi Medical College, Kalahandi secured the top position with getting 726 marks out of 900. Similarly, Pratikhya Paul, Subhalaxmi Padhi and Hiranmayee Padmaja Tripathi bagged top positions in Anatomy, Physiology and Biochemistry respectively.
