Bhubaneswar: 24/02/2025

The Election Commission of India has scheduled a two-day conference with the Chief Electoral Officers of all States/UTs on March 4-5, 2025 at India International Institute of Democracy & Election Management, New Delhi.

This is the first such conference to be held since Shri Gyanesh Kumar assumed charge as Chief Election Commissioner. For the first time, the CEOs have been instructed to nominate a District Election Officer (DEO) and an Election Registration Officer (ERO) to take part in the conference. As statutory authorities, CEOs, DEOs and EROs are important functionaries at the State, District and Assembly Constituency levels.

The two-day conference offers a platform for the election officials of the States and UTs for brainstorming and mutual learning from each other's experiences. Day One of the Conference will have discussions on key areas of modern election management including IT Architecture, Effective Communications, enhancing social media outreach and statutory role of different functionaries in the electoral processes. On the second day, CEOs of States and UTs will present their respective action plan on thematic discussions of the precious day.
