ELECTION COMMISSION OF INDIA
Nirvachan Sadan, Ashoka Road, New Delhi-110001
No. ECI/PN/196/2025 22.03.2025

Press Note

- Grassroot level meetings with Political Parties at ERO, DEO, CEO levels underway
- Active participation of political parties in these meetings

Bhubaneswar: 22/03/2025

4,123 EROs across the country are holding all-party meetings to resolve any pending polling booth level issues in their respective Assembly Constituencies (ACs). Similarly, all 788 District Election Officers (DEOs) and 36 CEOs of all 28 States and 8 UTs at the State/UT levels have also been directed to hold such meetings to resolve any pending issues at the district and State/UT levels respectively, within the legal framework of the RP Act 1950 & 1951, Registration of Elector Rules 1960, Conduct of Election Rules 1961 and the manuals, guidelines and instructions issued by ECI from time to time. These meetings have already started with the active participation of national/state level political parties. All such meetings are to be completed in the entire country in each AC, district and State/UT by the 31st of March, 2025.

This is in line with the directions of the Commission led by CEC Gyanesh Kumar along with ECs Dr. Sukhbir Singh Sandhu and Dr. Vivek Joshi during the conference of CEOs of all States/UTs and one DEO and ERO from each state on the 4th of March, 2025 at IIIDEM, New Delhi.

Political parties and their authorised representatives such as Booth Level Agents (BLAs), Polling Agents, Counting Agents and Election Agents have specific roles to play in various electoral processes including the conduct of elections. This grassroots-level engagement has been welcomed by political parties, with their active and enthusiastic participation in meetings across assembly constituencies, districts, and states/UTs. The Commission appeals to all the national/state political parties to avail this proactive grassroot level engagement with electoral authorities for resolving any pending issue in a time-bound manner.
