147th State Level Single Window Clearance Authority (SLSWCA) meeting held chaired by the Chief Secretary

ODISHA APPROVES ₹3,793 Cr. INVESTMENT, CREATES 19,924 JOBS

24 investment proposals cleared, covering 14 districts

Bhubaneswar, 06.06.2026:

The Government of Odisha, progressing under the visionary leadership of Hon'ble Chief Minister Shri Mohan Charan Majhi, continues its journey from vision to action in driving industrial growth. Under his guidance, the State, through the 147th State Level Single Window Clearance Authority (SLSWCA) chaired by the Chief Secretary Ms. Anu Garg, IAS, has approved **24 industrial investment proposals** with a total investment of **₹3793.33 crore**, generating **19,924 employment opportunities**. These approvals mark another major milestone towards strengthening Odisha's industrial ecosystem and accelerating job-led economic growth.

The approved projects span a wide range of sectors including steel and metal downstream industries, renewable energy, advanced materials, electronics and EV components, textiles and apparel, tourism and hospitality, infrastructure and logistics, food processing, consumer products, chemicals and emerging technologies, reflecting the State's diversified, future-ready and resilient industrial strategy.

The projects will be implemented across 14 districts including Khordha, Dhenkanal, Jharsuguda, Koraput, Jajpur, Sambalpur, Keonjhar, Balangir, Puri, Cuttack, Sundargarh, Ganjam, Jagatsinghpur and Mayurbhanj, ensuring regionally balanced industrial development and expanded employment opportunities.

Key approved projects:

In the energy storage and advanced manufacturing sector, **CESC Green Power Limited** will establish a Battery Energy Storage Systems (BESS) in Dhenkanal with an investment of **₹683.83 crore**, generating **153 jobs**, strengthening Odisha's growing clean energy manufacturing ecosystem. **AVP Star Private Limited** will establish a **Lab Grown Diamond manufacturing facility** in Khordha with an investment of **₹500 crore**, generating **500 employment opportunities**.

In the textiles and apparel sector, **Nandraj Textiles Private Limited** will establish an apparel manufacturing unit in Khordha with an investment of **₹168.64 crore**, generating **10,306 jobs**, making it the largest employment-generating project approved in this clearance. **Shahi Exports Private Limited** will establish a knitted garments manufacturing unit in Sambalpur with an investment of **₹145.50 crore**, creating **1,840 employment opportunities**, while **Maa Taratarini Textile Park Private Limited** will develop an integrated textile project in Ganjam with an investment of **₹70 crore**, generating **350 jobs**.

In the tourism and hospitality sector, multiple premium hospitality projects have been approved. **Swosti Premium Limited** will establish a 5 Star resort in Koraput with an investment of **₹250 crore**, generating **480 jobs**. **SNM Hotels & Resorts Private Limited** will establish a resort in Koraput with an investment of **₹133.34 crore**, creating **173 jobs**. **Sri Eco Resorts** will establish an eco-resort and water amusement park in Keonjhar with an investment of **₹105.60 crore**, generating **240 jobs**. **Sailabala Infrastructure Private Limited** will establish a resort in Puri with an investment of **₹92.80 crore**, creating **170 jobs**. **Suryo Udyog Limited** will establish a **4-star hotel** in Jagatsinghpur with an investment of **₹70 crore**, generating **240 jobs**. **Pratyaksh Hotel & Resorts Private Limited** will establish a resort in Koraput with an investment of **₹70 crore**, creating **170 jobs**. **Leharsh Exports & Services Private Limited** will establish a resort in Sundargarh with an investment of **₹60 crore**, generating **200 jobs**. **Prachi**

Enterprises will establish an eco-resort and water amusement park in Mayurbhanj with an investment of **₹52 crore**, creating **150 jobs**, significantly strengthening Odisha's tourism infrastructure.

In the steel, metal downstream and industrial manufacturing sector, **JSW Severfields Structures Limited** will establish a steel fabrication unit in Jajpur with an investment of **₹215 crore**, generating **1,400 jobs**. **Koshal Ceramics Private Limited** will expand its manufacturing facility for refractory bricks and monolithic products in Jharsuguda with an investment of **₹275.07 crore**, creating **1,000 jobs**. **Envirocare Infrasolution Private Limited** will establish a manufacturing unit for colour-coated steel sheets, GI sheets and structural components in Sundargarh with an investment of **₹81 crore**, generating **500 jobs**. **Bishnu Steel** will establish a stainless-steel pipe manufacturing unit in Khordha with an investment of **₹51.83 crore**, creating **90 jobs**.

In the logistics and infrastructure sector, **M.S. Infraengineers Private Limited** will establish a warehousing-cum-logistic park in Sambalpur with an investment of **₹112.52 crore**, generating **500 jobs**, while **Inex Eco Logistics** will develop logistics and warehousing infrastructure in Balangir with an investment of **₹103.20 crore**, creating **225 jobs**, enhancing industrial connectivity and supply chain efficiency.

In the consumer products, food processing and emerging manufacturing sectors, **Hindustan Coca-Cola Beverages Private Limited** will expand its Aerated Drinks in Khordha with an investment of **₹300 crore**, generating **990 jobs**. **Jai Bhawani Foods Private Limited** will establish a bar soap manufacturing unit in Cuttack with an investment of **₹92 crore**, creating **300 jobs**. **Lithros Batteries India Private Limited** will establish an EV vehicles, batteries and inverter manufacturing unit in Khordha with an investment of **₹60 crore**, generating **350 jobs**. **Jaasper Eco Products Private Limited** will establish a corrugated box manufacturing unit in Khordha with an investment of **₹51 crore**, creating **100 jobs**. **Ekansh Agro Food Products Private Limited** will establish a food processing unit in Khordha with an investment of **₹50 crore**, generating **370 jobs**, further diversifying Odisha's industrial base.

These **24 projects** together account for a total investment of **₹3793.33 crore** and **19,924 employment opportunities**, reaffirming Odisha's position as a high-potential investment destination in Eastern India. With strong sectoral diversity spanning tourism, textiles, advanced manufacturing, Lab grown diamond, logistics, food processing and consumer products, the State continues to build a resilient and employment-intensive industrial ecosystem.

The Single Window system continues to enhance ease of doing business by ensuring time-bound, coordinated approvals and proactive investor facilitation, enabling swift conversion of investment intent into grounded projects. Aligned with the long-term vision of **Samruddha Odisha 2036**, these approvals underscore the State Government's focus on employment-intensive growth, sustainable industrialisation and balanced regional development.
